Minutes of the meeting of the Hassan Town Council, held on 30-11-44

Subject No. I (b). :- (1). Application of Venkataramana requesting for the electrical installation as well as water tap to Basavannadevaru Temple in Jatra Maidan.

Managing Committee resolution :- Resolved that the question of giving electric light may be taken up when the materials become cheaper. Since the Municipal well is just behind the temple we see no necessity for a tap at present as the temple was renovated at the cost of the Municipality (since it is located in Jatra Maidan) and as the applicant is also performing the puja, a monthly grant of Rs 3/- may be given to him or any body who performs the puja with the consent of the Municipality for and other expenses. This expense may be met out of the Cattle-Show Funds.

Resolution of the Municipal Council - Resolved that a monthly grant of Rs 5/- may be given and also a tap connection may be given at the cost of the Municipality on condition that Puja should be regularly performed and the premmses be kept clean Regarding the question of giving electrical light xx it is deferred
